F.No. PP.Pyriproxyfen.T-17946/16(ITC)

01<sup>st</sup> December, 2025

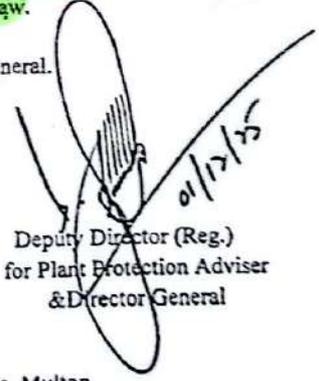

OFFICE ORDER

The Agricultural Pesticides Ordinance (APO), 1971 (II of 1971) and the Agricultural Pesticides Rules (APR), 1973, provide the legal framework for the regulation of import, manufacture, formulation, sale, distribution, and use of pesticides in Pakistan. All importers desirous to import any pesticide not having a trade name may apply to Federal Government for permission to import on Form-16 along with supporting documents as laid down in respective checklist. The Rule 9A(d) of the APR, 1973 provides that any pesticide intended for import should be registered in the country of origin under the actual manufacturer's name and the formulation must exactly match with the product intended for import.

2. The Department of Plant Protection (DPP), has undertaken a review of certain pesticide products registered in past years. During scrutiny, it has been observed that the pesticide products Pyriproxyfen 10.8% EC listed in (Annex-A) and Acetochlor + Pendimethalin 42% EC listed in (Annex-B) were granted registration on the basis of documentary declaring that the manufacturer has the ability to produce instead of registration with ICAMA under valid PD number or with proof of manufacturing for export under valid EX number. No any evidence available on record that these products were duly registered in their respective country of origin. It has been confirmed that the registration dossiers of these products do not fulfill the statutory requirement of Rule 9A(d), and therefore the registrations were granted in deviation of the rules. As such, these products remain non-compliant with the mandatory provisions of the Rule 9 of APR-1973.

3. In exercise of the powers conferred under the Agricultural Pesticides Ordinance, 1971 and Rule 9 of the Agricultural Pesticides Rules, 1973, the Department hereby cancels the registrations of the pesticide products specified in Annex-A & Annex-B, with immediate effect. Consequently, No further import, sale, distribution, or use of these products shall be permissible within Pakistan. All concerned registration holders are directed to Surrender the original registration certificates to avoid further regulatory action under the law.

4. This issues with the approval of Plant Protection Advisor & Director General.

  
Deputy Director (Reg.)  
for Plant Protection Adviser  
& Director General

Copy for Information:

1. The Chairman, Pakistan Crop Protection Association, 02-A, Industrial Estate, Multan.
2. The Chairman, CropLife Pakistan, Life Plaza # 125, Sector DD, Defense Housing Authority, Phase 4, Lahore.
